NTC CHRISTMAS

THE NIGHT BEFORE CHRISTMAS

'Twas the night before Christmas and all through the land
People were working on trails with shovels in hand;
The snowmobilers were itching to test the new snow
And ATV riders were dressing warmly from head to toe,
The hikers and walkers were gathering near
To explore trails in winter with a big cheer,
The NTC Board has been working up a storm
To get trail projects completed before it gets warm
Snowshoers and skiers wanted to join in the fun
Getting out on trails for exercise in the winter sun
The Christmas season is a time of good spirit and giving
And our Canadian trails offer us great adventures and healthy
living

The NTC has been connecting our communities and country
through trails
Partnering with hard working organizations to transform the old
rails

It is with great tidings of joy and sincere holiday wishes
The NTC Board wishes everyone a very Merry Christmas!

Happy Holidays Everyone!
